HARD WASTE COLLECTION

Our annual Hard Waste Collection is an opportunity for residents to dispose of items such as whitegoods, furniture, old toys, computers and electrical goods.

SAVE THE DATE!

Our 2025 Hard Waste Collection is scheduled for Thursday 27 February to Friday 7 March 2025, with registration open from Monday 3 February to Friday 21 February via Council's website.

Collection schedules can also be checked online via our Recycle Coach app! Scan here.

MISSED COLLECTIONS, DAMAGED BINS & OTHER ENQUIRIES

Check out the Waste & Recycling section of our website – meander.tas.gov.au/waste-recycling – is full of helpful information on waste management.

If you can't find the answer to your question there, or need to report a missed collection or damaged bin, contact Meander Valley Council by:
E: mail@mvc.tas.gov.au P: 03 6393 5300

DO place your bins out BEFORE 6am on your collection day.

DON'T overfill your bin: the maximum weight of your bin must be under 80kgs or we can't tip it!

DON'T place your bins behind parked cars or other obstructions.

DO leave at least one metre (1m) of space between bins if placing out more than one.

Bins will be collected as scheduled on public holidays.
